WHAT PEOPLE SAY

“

I became a landlord four years ago and have been fortunate enough to work with Adam Mundt all these years! Throughout this time, I have enjoyed extreme customer service, in-depth knowledge of the marketplace, and a dedication to finding me the best tenants possible. I trust Adam implicitly, have referred people to him (all with positive feedback), and have followed him from his previous firm to his own firm. I highly recommend working with Kingston Real Estate, Adam and his team of experts!
